# Help Light Up Samar, Philippines

On the island of **Samar**, a small Adventist group is experiencing something remarkable. With very little money but incredible faith, they are sharing Jesus with their community and people are responding. In just the past few months, **over 40 people have been baptized**, and many more children and adults are studying the Bible with joy and determination.

But here's the part that changes everything:

*While their hearts are on fire, their resources are not.*

Children who choose to follow Jesus receive Christian books printed locally; simple, beautiful tools that help them grow in faith. A Bible in their language costs only **\$4**, and a full set of children's books for the school and baptismal classes costs so little... yet for them, it's still out of reach.

They've reached out to the Tryon SDA Church for help. The entire need is **15,000 pesos (about \$300)**; an amount that, for us, is small... but for them, it opens the door for dozens of young believers to hold the Word of God in their hands.

If you feel moved to be part of this story, simply mark your tithe envelope "**Samar Book Fund.**"

## Mission Trip to Powell Valley SDA School

Imagine a small Adventist school tucked in the mountains of Dryden, Virginia; quiet, worn, and waiting for new life. For years it has served its community, but now it needs hands, hope, and a fresh start. This is where we get to step into the story.

On the weekend of **May 16**, our church is heading up, just **2.5 hours from Tryon**, to help restore the Powell Valley SDA School. The building isn't a teardown; it simply needs care, cleanup, and the kind of teamwork that turns a tired space into a place where children can learn about Jesus again.

This is where we get to make a difference: If no one steps in, the school stays closed. If we show up, even for a day, we help reopen an Adventist school for a community that desperately wants one.

We'll work **Sunday through Tuesday**, with meals provided at the church. A block of rooms is available at the **Quality Inn in Big Stone Gap for \$99/night**, or you can make it a simple day trip. Even one day of your time makes a real difference.

This first phase prepares the school for a homeschool program this fall, with the goal of bringing in a full-time teacher the following year. Our help moves that vision forward.

If you want a mission opportunity that's close, meaningful, and hands-on,

## **Our New Church Directory Is Almost Ready - We Need You in It!**

Our church family is growing, and with new faces joining us each Sabbath, staying connected matters more than ever. That's why we're excited to launch our **new online church directory**, a simple, secure way to keep our church family close.

### **Imagine this:**

You meet someone new, want to reach out, or hope to remember a name and with one quick tap or glance, everything you need is right there. Names, faces, families, birthdays, ministries... all at your fingertips.

Now imagine the opposite:

A directory missing your family's information and gaps where connection could have happened.

### **That's why we need your help today.**

To complete the directory, **we need your contact information.**

There's a short form in the lobby. Please fill it out and drop it in the offering plate or hand it to **Janice or Bob Sengele** after the service.

### **Why This Directory Will Bless Our Church Family**

- Access it on your **smartphone, online, emailed PDF**, or a **printed copy**
- Upload a **family photo** if you'd like
- See **family groupings, birthdays, anniversaries**, and **ministry groups**
- Always up-to-date and easy to use
